

The Pout-Pout Fish

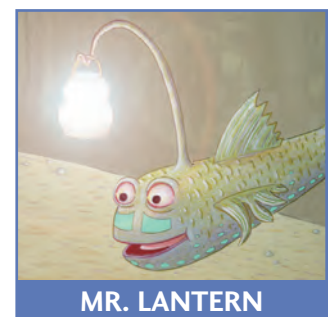

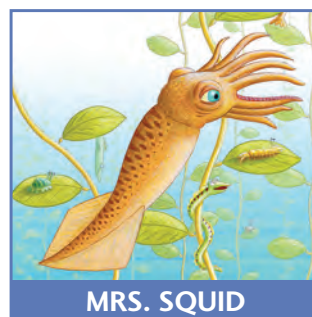

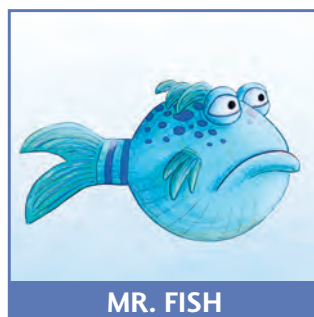

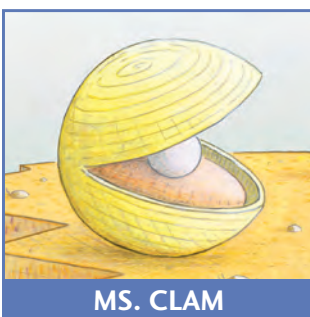

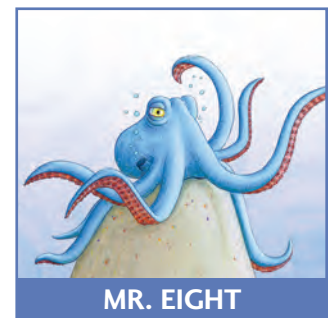

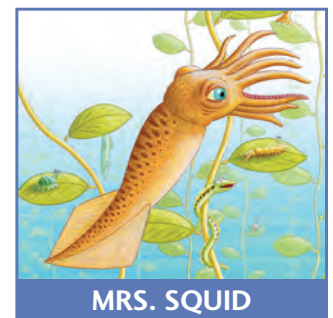

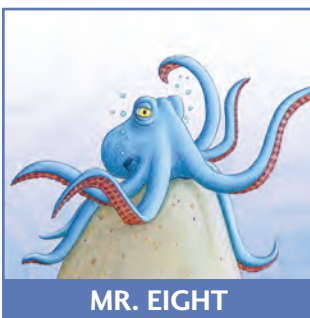

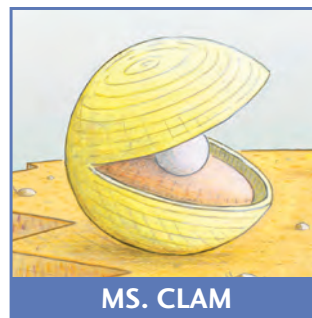

ACTIVITY KIT

Turn Mr. Fish's frown upside down with these downloadable activities based on the *New York Times*-bestselling series by Deborah Diesen, with pictures by Dan Hanna!

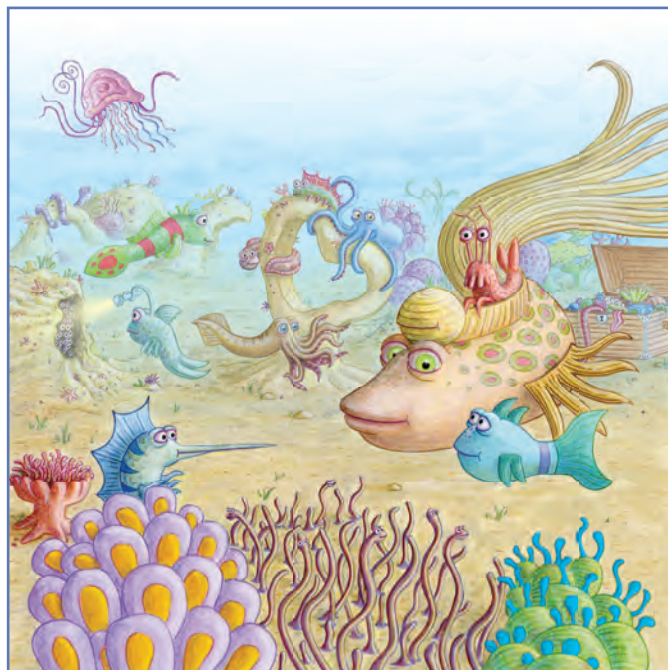

Meet Mr. Fish and his friends!

Go fishing for a match! Have a grown-up cut out each of the character cards below. Mix them up and place them facedown. Flip over any two cards and see if they match. If they do, you get a point, and the cards can be removed. Then it's the next player's turn. If they do not match, flip both cards back over and move to the next player's turn. Go back and forth until there are no cards left. Whoever has the most points wins!

There's something fishy going on . . .

Can you spot the differences between the ocean scene on the top and the one on the bottom?

Answer Key: 1. Jellyfish direction 2. Fish's stripe color
3. Eel on the swordfish 5. Missing rock 6. Color of coral

Get your pout on!

Have a grown-up cut along the dotted line to make a mask! Either glue a popsicle stick on the inside edge of the mask and hold it up to your face, or punch holes on either side and use string to wear your mask. Be sure to cut out the eye holes so you can see!

So many fish in the sea!

The ocean is full of so many kinds of fish of every shape, size, and color!
Can you draw your own fish in the space below?
